

To all of our wonderful customers,

At Lake Murray Floor Covering the safety and well-being of our customers and staff continues to be our #1 priority.

While we're still open for business at this time, we have adjusted our showroom activity to adhere to the guidelines put in place by Governor McMaster. With those guidelines we are allowed to have a maximum of 17 people in our showroom at a time. In addition we are continuing to take extra precautions in response to the COVID-19 virus while following health organizations' protocol for mitigating risk in the spread of the virus.

This includes: Sanitizing surfaces, sample boards, doorknobs, countertops, etc.—Practicing frequent hand-washing and taking steps to disinfect and sanitize our store.

As a locally owned business, we care deeply about our community and ask that if you're experiencing any coughing, fevers or flu-like symptoms, that you follow the recommendations of health care experts by resting and staying out of public spaces. Once you are recovered, we'll be waiting for you!

We deeply appreciate your loyalty and patience during these uncertain times and are committed to serving you while continuing to monitor and follow health organization recommendations.

Today and always, we hope that you and your family stay safe and healthy!
